No. 10

Copy of DESPATCH from Governor Hay to His Grace the Duke of Newcastle, K.G.

No. 10

My Lord Duke,

St. Helena, May 23, 1861.

I have the honour to refer to the copy of the St. Helena Blue Book for the year 1860, accompanied by the usual comparative statements of the estimated and actual revenue and expenditure of the island for the same period. Blue Book 1860
Comparative
Returns.

2. The Returns in general bear decidedly a favourable comparison with those of previous years.

3. The steady increase of the revenue has enabled me to make proportionate progress in public works, while a fair balance has been maintained in favour of the local Treasury.

4. Considerable advance has been made in juvenile instruction, both as regards the efficiency and the number of schools, while the number of children under tuition in 1860 exceeds those in 1859 in the proportion of 968 to 702.

5. The annexed tables have been prepared from these returns with a view to give the statistics of the island in a condensed form, comparatively easy of reference, and containing, as far as the Circular Despatch of the 22nd August last applies to this island, the additional information required by your Grace.

I have, &c.

(Signed) E. H. DRUMMOND HAY.

His Grace the Duke of Newcastle, K.G.,
&c. &c. &c.
